summer.

hair gets lighter. skin gets darker.

water gets warmer. drinks get colder.

music gets louder. nights get longer.

life gets **better**. every summer has its own story. here is ours.

may this collection bring you bright & happy moments,
while your life is happening **in & outdoors**.

let our golden cutlery, coloured glass and marble plates
make you into the best host **welcoming** your friends for
a **barbecue**.

our new rugs & cushions - handwoven and 100% recycled
from plastic bottles - accompany you outdoors in the sun,
as they are UV treated, and should a **rainy shower** should
come along, they will dry in no time!

beach bags and towels to spend **sunny days** with you whilst
sand is tickling your toes!

we hope you will share our fascination with beautiful,
useful modern products crafted in **ancient techniques**.

it is our commitment to produce **environmentally friendly**
products in every possible way and secure the welfare and
fair employment of our craftsmen and women.

summer **2016**. what is your **story?**
