the 70s are back

this collection is seventies inspired, although we still trust in classic **scandinavian** simplicity, black and white colours along with vibrant **eclectic** colours to offer a more contemporary feel.

it was our goal to create a selection of retro and modern items, which you can **mix and match** as you want - creating a homely atmosphere.

the variety of colours allows you to combine your own unique pick **wherever you live** in this world.

our fashion accessories such as woolen scarfs, ponchos and bags will accompany you through an **indian summer** and cool winter days.

it is our commitment to produce **environmentally friendly** products in every possible way and secure the welfare and **fair employment** of our craftsmen and women.

we hope you will share our fascination with beautiful, useful, **modern products** crafted in ancient techniques where each item is unique in its own right.
