Rym.
HOUSE OF RYM

Behold, all you Queens and Kings out there.
And Princesses and Princes too, for that matter.
This season we surely want you to sleep like royalty.
Brand new bedspread 'Kings and Queens' and
cushion cover 'Cover me up' in pattern 'Flip me floppy'
will make your bed look regal even when you're not in it.

Here's yet another blanket to fall in love with. This pattern is called 'Palm me down' and is covered with palm trees. Isn't it adorable? But beware of falling nuts and fruits, you'd better make sure to take cover.

Aum... Aum... Aum... 'Lovely lotus' is every yogini's dream blanket.

Well, isn't this just a piece of heaven right here?
Rise and shine!

**'Rise and shine' is not only a blanket pattern.
Here it is as a handmade flat-woven rug.**

It's a blanket! It's a wallpaper! It's 'Palm me down'!

And on the opposite side you have our version of a traditional Indian dhurrie (or durrie or durry if you prefer). Whatever you call it, we call it 'Dhurrie Durrie Durry'.

Leaves and petals, petals and leaves.
This season is all about the power of flower.

Ok, this runner is so on point it's not even funny.
 Did we say on point? It's 'So on top'! Set your table for a real feast.
 And ps. We have a matching surprise for you on the following pages.

Ta-dah! A matching napkin and placemat.

The shapes are old, but the wood is new. For the loyal House of Rym fans this is a great revival. Our wooden coasters are back – but now in acacia instead of olive.

Well good morning sunshine!
This new collection is a dream for all
yellow lovers. The pattern is called
'Papillon papillon'.

Matching kimono, slippers,
cosmetic bag and baskets? You bet!

No more Monday morning blues.

Say hi to 'Come on, kimono',
'Slippery when wet',
'Dirty laundry', 'For my precious'
and 'Stuff 'n' stuff'.

Welcome to jungle! Or as we prefer to call it; the kids' room.
This seasons Tiny House of Rym collection is full of cute animals,
trees and other fun stuff.

'On the wall' is the name of our first ever wallpaper.
Put this on the wall and let your mind sail away! On a coastal adventure.

**Playmat 'Bye bye Birdie' is your toddler's new best friend.
Or is it mobile 'Hanging forest'? So hard to choose.**

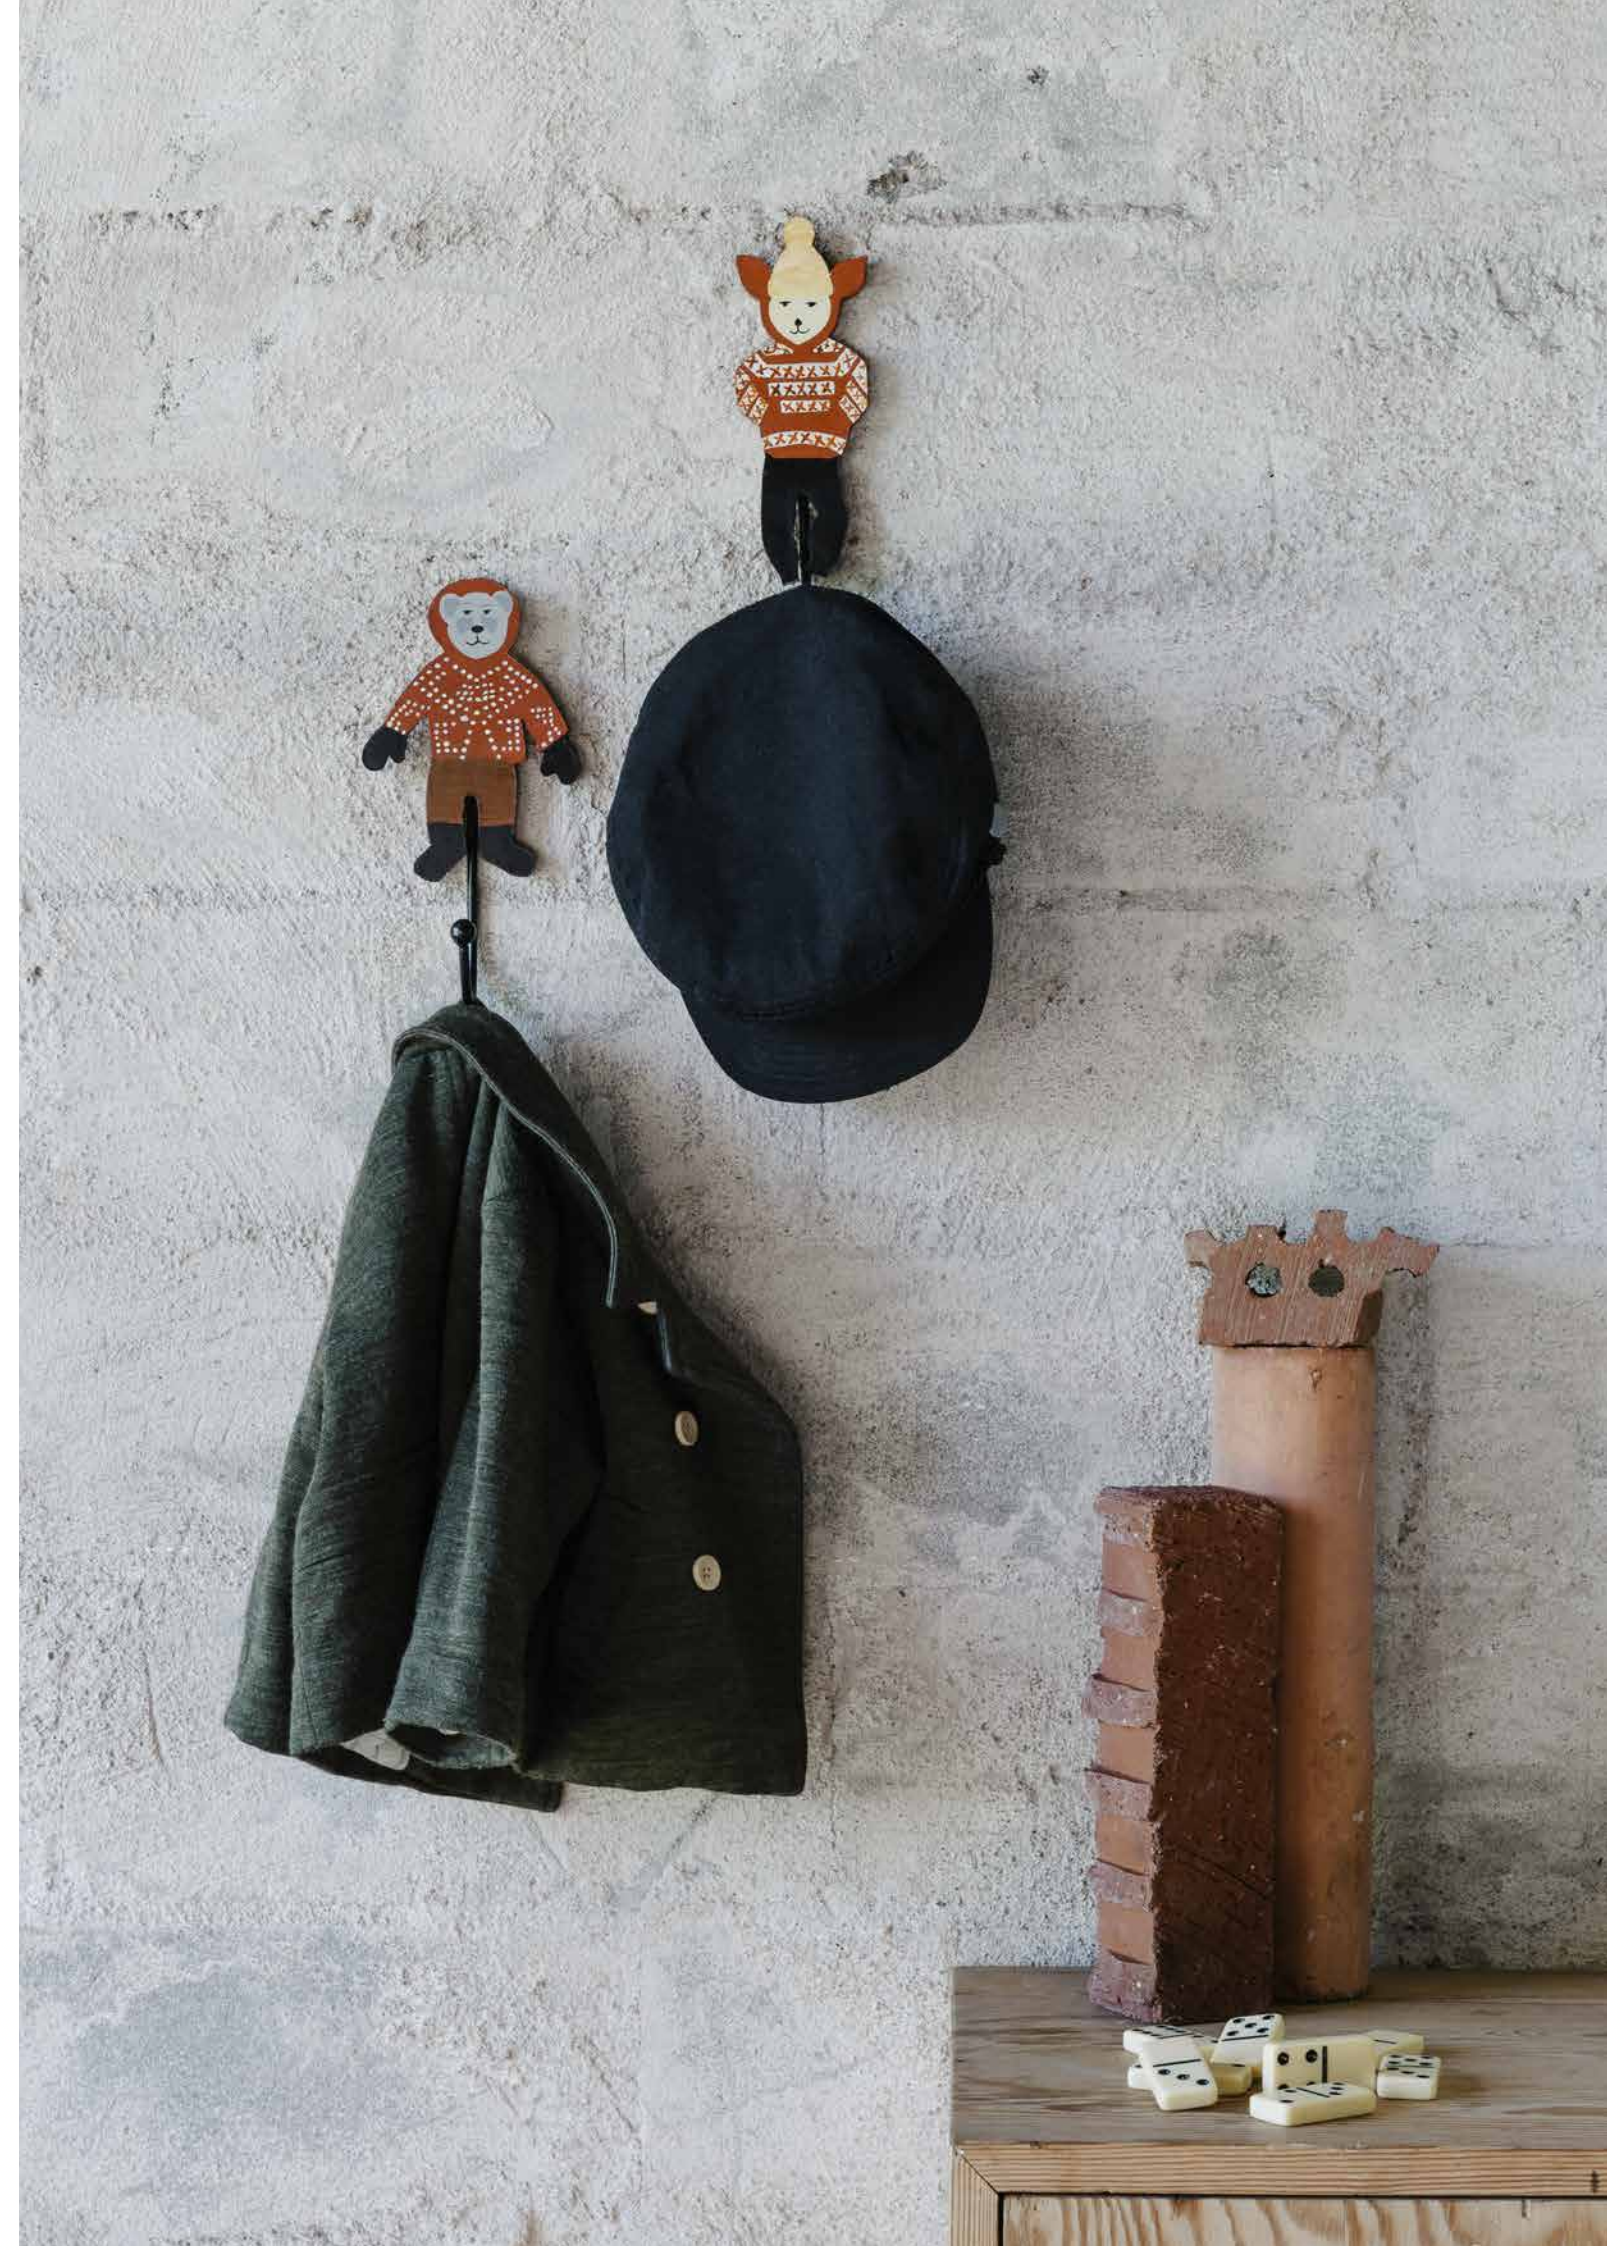

Knitted, super soft, organic cotton.
Pure paradise for all snugglers out there.

**Come join us on a great adventure!
This playful wallpaper board will spark up
any children's room.**

Look! A fluffy cloud for your toddler! This adorable playmat is perfect when you don't want your gem to play on a cold floor. And it's really cute as well.

Oh no, we won't calm down because here's wallpaper 'Palm me down'!
This one is printed on WallSmart (non-woven wallpaper) so it's super easy to hang.

The House of Rym porcelain and stoneware are microwave and dishwasher safe, so you don’t have to bother with hand washing.

OLIVE WOOD & ACACIA WOOD

Hand wash only, not suitable for dishwashers. To prevent the wood from drying out, occasionally coat with olive oil. Don’t leave olive wood soaking in water or exposed it to heat or sunshine.

OTTOMANS

Hand wash only 30°C . Dry flat.

RUGS

Vacuum regularly. Spot clean with wool cleaning solution. Air dry. Professional carpet cleaning is recommended.

CEMENT TILES

The tiles should be cleaned with pH-neutral soap and water. Do not use any acids or bleach on these tiles! If sealed with a topical sealer, they may need to be resealed every couple of years.
