Bye bye Birdie! And welcome to Snugglers' paradise!  
A super cute, super soft baby blanket in knitted organic cotton.

**Never mellow, always yellow!**

The birds are in the house! And on the walls!  
This might be our cutest wallpaper so far.

Don't be sullen, it's playtime! What about these cushions that look like trees? Say hi to Maple staple, Pine no whine and Oak in a cloak. They all live in the Friendly forest, where life is all about fun and play.

hi!

With this new bed bumper in the crib you can rest assured that  
your toddler will be Safe and sound (asleep).  
The cover is made of organic cotton, like all our beddings.

**Shush now! We don't want to wake up our  
cuddly new friends Sleepy fox and  
Urban turban teddy.**
